SGA September Newsletter

Gentlemen,

The 2019 SGA Individual and Team Match Play Tournaments are nearly completed. The team event is down to the flight winners squaring off, and after one more flight is completed in the individual tournament, the flight winners will be able to play their matches to determine this year's champion. If you have advanced to the next round and the brackets below do not reflect the completed match, please let me know so I can correct and update the bracket.

From Scott Atcheson:

SGA Members - I hope everyone is having a great Summer as we enter to it's unofficial end. I want to thank all the SGA Members that played in the Labor Day Folds of Honor tournament. Thanks for your support! With the closure of the Oaks Course this season and with opening it's on September 28th we unfortunately lost our September 10th Reverse Shotgun date but we still have a number of exciting events for the balance of the year. The Match Play tournaments are in the exciting final stretches and we will have Champions crowned within a month, 3 more Interclubs this year (including NRCC hosting on Oct. 1st - with six slots still available), the SGA Championship, and the CASMGA Championship. Don't forget to contact Bob Catapano if you are interested in playing in the CASMGA tournament. On November 6th we will hold our annual SGA Banquet. This year we will recognize the 2019 Match Play Champions, the 2019 SGA Champion, the Play with the Pro winning team, as well as introducing your 2020 SGA Board. Those attending the Fall Banquet will be in for a pleasant surprise as it relates to the 2020 SGA Cup!

Ron Hoskins (a fellow SGA Member) heads up the MGF (Men's Golf Fellowship). It is a great way to get together with fellow golfers in a very low keyed atmosphere to enjoy a nice breakfast, visit with each other and listen to great speakers. MGF is held the 3rd Friday of each month at NRCC and has been a great organization hosted at NRCC for over a year now. Please see the flyer below that Ron prepared. I have been extremely impressed by the speakers Ron has assembled over the past year and urge everyone to give it a try!
