Gentlemen,

Saturday (May 1) begins registration for this year's individual and team match-play tournaments. Over the past couple of years, attendance has been excellent, so please try to sign up early if you intend on playing. Registration via North Ridge Main Site will open at 9:00 AM Saturday, May 1st.

Tuesday, May 4th, is our first home interclub since 2019. We currently have ten golfers registered. Our goal is to have a member in each group, so if you haven't signed up yet, and would like to show off the Oaks Course, please sign up using the North Ridge Main Site.

A note from North Ridge's CASMGA representative, Bob Catapano:

The CASMGA Interclub season is underway. See the signup portal on the NRCC SGA web page. Registration goes live one month ahead of each event. The entry fee has been increased to \$60. Host clubs are calling the shots on any COVID modifications to the normal Interclub routine. Some clubs may use tee times instead of a shotgun start. For the most part, expect two players assigned to each cart, sometimes with a divider between the riders. Food will be served, but service may be modified to some extent. The CASMGA Interclub culminates in a season-ending championship event where 8 players from each club compete as a team. The North Ridge team is chosen by a three-member SGA committee chaired by our CASMGA representative, Bob Catapano. Bob's committee will enforce the CASMGA rule that requires participants in the championship to play in at least one CASMGA Interclub event during the season.

Thanks for being part of the SGA, and I look forward to seeing all of you during the 2021 season.
